

reasonsfor Hope

THIS CONFERENCE IS DESIGNED TO GIVE PARENTS, YOUTH AND FAMILIES SOLID ANSWERS TO THE QUESTIONS THEY ENCOUNTER IN AN INCREASINGLY SECULAR SCHOOL, UNIVERSITY AND WORK ENVIRONMENT.

Why is this training needed... especially for families?

Because “61% of kids who were involved in church as recently as their teenage years become spiritually disengaged by their 20s” – *Barna*

That's not acceptable! Dr Ray Ciervo, Dr Richard Tompkins and Dr Ian Buckley are committing to equip and upskill parents and youth to:

- confidently field tough objections to Christianity from within your home and in the world.
- have critical faith conversations that will engage those you love and work with.
- access quality resources that give biblical answers to real world questions.

Whether you are an adult or youth, pastor or average Christian, you will walk away from this conference with:

- accessible tools to winsomely answer our culture with the Reasons you Believe the gospel of Christ is true.
- hands on experience engaging skeptical attitudes.
- objective evidence that Christianity is true.
- greater confidence to have constructive God conversations with peers.
- encouragement to rely on God's Word as the only foundation for faith and practical living.
